## ~ Business Manager's Report ~

Sisters and Brothers,

The National Electrical Benefit Fund (NEBF) has approved the temporary return to work amendment again for the 2025 year. This will allow retirees to work up to 600 hours for 2025 without affecting your monthly NEBF payment. If you would like to opt-in to this, please see Misty at the Union Hall to fill out your paperwork. If you have any questions about how this process works, or if you are eligible to participate, please reach out to Nichole at the Union Hall.

The Local Union 347 Scholarship application is available now. LU 347 awards three recipients annually with a \$1,000 scholarship. Applicants must be the children or grandchildren of LU 347 members or retirees and must be accepted into an accredited college, university or recognized trade school. The application is available at the Union Hall, our website or we can get one to you via email. All applications must be postmarked or received by the Union Hall no later than May 1, 2025. Any questions regarding the scholarship should be directed to the Union Hall at 515-243-1924.

Don't forget, our electrical licenses are expiring at the end of this year. GET YOUR CLASSES IN NOW. There will not be any classes offered after Thanksgiving this year, so please do not wait to take them. Thus far this code cycle, we have offered 64 continuing education classes (CEC). 20 classes were canceled due to not meeting the minimum participation number. Of the 44 classes held, only 62% of the available seats were used. We currently have 12 CEC available for registration on the TradeSchool site. This is the final year of CEC for this code cycle. We will schedule more CEC courses this summer, but once the fall apprentice classes begin there will be limited CEC offered. We would like to encourage everyone to sign up for the classes open, to make sure they are not canceled. 5th year apprentices are also encouraged to take these classes as they are a great review of everything before taking the test for your Journeyman License.

The D&I training that is required to get our raise in June is available. Call the hall if you have trouble signing in or emailing your certificate. We have Chromebooks available at the hall if you need something to take the class on. It takes about one hour and everyone working under the Des Moines Inside Agreement needs to get this done by June 1st. The following page is step-by-step directions on where to go, how to get logged in, and what that course looks like. If you have any trouble with this, please reach out to the guys here at the Hall.

We have again decided to **waive** the annual Dependent Verification form. This was a decision made due to the continued struggles we seem to endure in regard to our health insurance. If you are facing any issues that you cannot get resolved by calling our third-part administrators (515-644-3200), please reach out to Nichole here at the Union Hall. There are several things she can do to help resolve problems before they become serious issues. 515-243-1924 or [nchumbley@ibewlu347.org](mailto:nchumbley@ibewlu347.org).

Brotherhood Strong,

Dave L. Reid
