## ~ Business Manager's Report ~

Sisters and Brothers,

I wanted to take a moment and wish you all a healthy and happy New Year filled with endless opportunities and success. Thank you for your hard work and dedication. With that said, we've accomplished a lot of things over the past year. The sale of the old Hall was finalized; 2024 will mark the beginning of our third year here at the new hall in Ankeny. The Bridgestone Electrical Apprenticeship was formed and began taking apprentices. EVITP certification courses began in July, in preparation for the electric vehicle infrastructure going in across Iowa. \*Please make sure if you haven't signed up for these courses yet, that you do so.\* For the third time, our Local has been honored to promote one of our own Brothers to the International level - Pat Wells, who then appointed me as Business Manager. We also got a new President, Rick Chumbley, and a new Vice President, Shannan Garza. To finish the momentous year off, our Local 347 Women's Committee received their Charter.

As the saying goes; "two steps forward, one step back"... There has been a lot of turnover at CompuSys (our third-party administrator) the last few months, contributing to members having issues with their benefits. If you are experiencing insurance issues, please call the hall and we will work on getting the issues resolved. We understand discouragement is an understatement when expressing their efforts aren't yielding the expected results. Everyone is working towards a solution.

This year's Pin recipients are listed in this newsletter. Please take a minute to look it over, if you think you should be getting a Pin and don't see your name, please call the hall and we will get you added. Please note, you must have completed your years of service in **2023** to be on this list.

The 2024 Iowa Legislative Session is set to start January 8. One major concern for the IBEW is the proposed merging of: the Electrical Examining Board, the Plumbing and Mechanical Systems Board, and the State Building Code Board of Review; into a new, seven-member consolidated board. This proposal came out of the Governor's Boards and Commissions Review Committee's final report. This committee was established by the Governor's 1,600-page state government reorganization bill which passed this last session. The committee's recommendations, which are set to be introduced as a bill during the 2024 legislative session, would eliminate and/or consolidate the state's 256 boards and commissions down to 140. Please call or email your local legislators.

### **IBEW Proposed Board Merger Talking Points:**

- IBEW supports maintaining the current Iowa Electrical Examining board structure to ensure safety standards are upheld and provide the necessary knowledge and expertise for oversight in the electrical industry
- Worker safety is the IBEW's primary concern regarding board membership; without the proper experts providing essential input and oversight, inappropriate licensure and code changes can quickly create unsafe working conditions for Iowa's high demand workforce
- IBEW is committed to ensuring the right industry professionals are making decisions regarding licensure standards and implementation of the National Electric Code
- As proposed, the reduction in members of the merged electrical, plumbing, and building code review board with just seven members, reduced from 28, is inadequate to ensure the proper experts and industry representation are included to provide the important safety guidance required in the electrical industry
- Representation is needed from licensed electricians, electrical contractors, inspectors, engineers, and to ensure union and non-union balance
- To meet industry demands and worker safety requirements, the electrical examining board should remain separate from the plumbing and building code review boards.

TOGETHER we have a strong collective voice on issues important to the work we do every single day across our state.

Brotherhood Strong - Dave L. Reid

Hello everyone, I hope this finds you doing well. Caucuses are rapidly approaching, and this year is a little different. I should, clarify since the Democrats have changed their procedure. The first thing that you should know is that if you want to vote for your presidential preference, you must download or request a presidential preference card be sent to you. The preference cards will be mailed out starting January 12, 2024. You must be registered as a Democrat by February 19<sup>th</sup> 2024, this is also the last day to request a Presidential preference card. You must have your ballot postmarked by March 5<sup>th</sup>. It is a two-part system this year. Mailing in your preference card is the only way to vote for your nominee. The second part is the actual caucus where the party's business will be conducted such as delegates to the party convention and platform committee members. NO Presidential preference cards will be accepted at the in-person caucus. The results of the mail-in preference cards will be released on March 5<sup>th</sup> of 2024.

Republicans caucus will be held at 7pm on January 15, 2024. You must be registered to vote. If you are not you can still caucus if you register that night. You must bring a valid form of ID and proof of residence. You don't need proof of residence if you are registered, but still need your ID.

[https://www.iowagop.org/2024\\_caucus\\_locations](https://www.iowagop.org/2024_caucus_locations)

<https://docs.google.com/spreadsheets/d/1t4Dz6h0Fw06y3Jo02klGjHS9oG8Wd3cmcjPavpCx9pM/edit#gid=0>

Above are your caucus locations for both parties. I would recommend checking them close to the date, as they are subject to change.

## Newborns

### Everly Marilyn Zibert

Born: 11.21.2023  
Weight: 7lbs 10.5oz  
Length: 20 inches  
Parents: Michael & Caley Zibert

### Nikson Beau Schneider

Born: 11.25.2023
