Sisters and Brothers.

The Board of Trustees of the IBEW LU 347 Scholarship Fund are looking forward to receiving applications again this year and it's never too soon to start preparing. The applicant must be the Dependent child of a current or retired member of IBEW Local Union 347 who is currently in good standing and has been in good standing for at least 2 consecutive years (without an honorary withdrawal) preceding the May 1 application deadline. A 300-700 word typed essay on the following topic: "How has Collective Bargaining affected me and what role will I play in the Labor Movement going forward?" will be required in addition to an application that you may pick up at the Hall or view on the website.

The second biannual 347 Investment Energy Conference is scheduled for January 21, 5:30pm, at the Union Hall. All members and spouses are welcome to attend. Join us to learn ways to maximize your 401K investments and have questions answered by leading industry experts. As an additional benefit, Iowa's favorite comedian, Willie Farrell will be on hand to provide entertainment. His presence is sponsored by Dale Roshek and Principal Financial. RSVP to Misty at the Hall by January 15th if you plan to attend.

Most of you are aware of the losses suffered by the Make A Wish Foundation when Jolly Holiday Lights was devastated by flooding. The estimated losses were well over \$200,000. The silver lining here is that the disaster raised awareness exponentially and since then there has been a tremendous outpouring of support from the community. I am happy to be able to report that not only has the expected loss been made up, the donations at the time I write this have exceeded doubling that number and continue to come in. Local 347 has and always will play a key role in making this event as successful as possible for Make A Wish and I couldn't be more proud to represent 347 as I continually see the support that we have from all of our Sisters and Brothers in powering, setting up and tearing down the display year after year.

I would also like to extend my gratitude and a special thank you on behalf of the Make A Wish Foundation to Translux, the hard working members and Gary Galasso for our joint efforts to provide the new Santa's Wish Shop display. I look forward to having it displayed for many seasons to come.

Please take notice of the 2016 pin party coming up in February. See the attached flyer and pin recipient list. You will need to RSVP to Misty at the Hall if interested in attending.

This year's Toys for Tots campaign went very well. The donations are totaling over \$150,000 and the amount of toys collected is at an unbelievable 21,000. So far this year, the US Marine Corp has served 16,961 children gifting out 33,922 toys. Once again, as the Sisters and Brothers of IBEW LU 347, you should all be very proud to be included in this effort. I would also like to thank Brother Bo Kruse for bringing in the largest cash donation by a single member. Nice job, everyone. Thank you for volunteering, for the support, and all you did to make Toys for Tots successful once again.

Brotherhood Strong, Patrick Wells

Happy New Year Brothers and Sisters

I truly hope that everyone had a wonderful Christmas and has a very healthy and prosperous New Year.

I'm sure that everyone heard that Jolly Holiday Lights got flooded out this year, it is a devastating loss for one of the best charities that we support. Without the help of these men I'm so proud to call my brother they would have lost even more equipment: THANKS to Rod and Janet Olson, Steve and Meagen Reichardt, Joe Rivas, Dave Reid, Jason Ballard, Tim Le-Claire, Tim Hawthorne, John Seel, Curt Prettyman, Clinton O'Connor, Doug Wolfe and Ben Duke. These guys had to wade into water up to 3 feet deep trying to save what they could for this great charity, hats off to you and great job.

The Unions annual children's Christmas party was a huge success this year with at least 450 members and their families attending. We had reindeer, Santa, great food (provided by brother Tom Bianchi) cotton candy, popcorn, toys for all the kids and a whole lot of fun stuff to play on without the help of the following people it would have been impossible. Thanks to: Jason, Lana, Mckenzie and Katie Ballard, Trevor Reed, Clinton O'Connor, David McQuiston, Terry Pohlman, Joseph Cole, Dustin Eschliman, Jason Papiani, Adam Foust, Rick Chumbley, Kyle Overton, John Stahowick, Ben Duke and Paige Turner.

The drawing for attending union meetings and service will be held at the January general membership meeting, to make sure that you qualify for next year's drawing you have to attended at least 9 of the 12 meetings and have in at least 15 hours of UNION service. It's easier than you think to do both so come to the meetings (the 2nd Thursday of every month) and when you hear about our UNION needing volunteers sign up, we could always use the help. We are still in need of volunteers to help tear down Jolly Holiday Lights on January 2nd 2016. It is bound to be cold or muddy I'm really hoping we get all the tear down done on the 2nd.

The JATC has a lot of journeyman training classes available right now please don't wait till the last minute to try and get your classes in get signed up and get it done this winter. We need to fill up all the classes that they are offering so that we don't have to cancel any of them.

In Solidarity, Scott L Farnsworth President of IBEW Local Union #347
