Happy Labor Day Brothers and Sisters,

I'm not sure if everyone knows but one of our Labor Day floats was stolen from the Union Halls parking lot. Myself and Jason Ballard took a day off of work and went to pick up a new trailer and the material to build the seating for the float. Jason was gracious enough to let us build the float at his home. We got a lot accomplished that first day. The following Monday Rick Chumbley, Jake Anderson, Mike Jones, Dallas Goslar and Matt Nelson helped finish up the float. Without their hard work we would have a hard time getting everything done.

I hope everyone plans on coming out to the Labor Day parade. It was voted on several months ago to spend \$5,000.00 dollars on candy so make sure that you attend and help give it out. After the parade there will be lots of fun activities for the kids at the Labor park.

We will need help getting the Jolly Holiday lighting displays all set up at the new site. The new location is at Adventureland's camp grounds. We will be working on this around the first of November.

Work in our area remains very strong with 525 travelers working in our jurisdiction. We owe them a huge thanks for coming to our area and helping us man the work that we have, so thanks to all the Brothers and sisters that have traveled to Local #347's jurisdiction.

The International convention will be held in St. Louis in September. I'm really looking forward to going. There will be a lot of important business taken care of at the convention, I will report on that next month.

In Solidarity  
Scott L Farnsworth  
President IBEW#347
