## ~ Business Manager's Report ~

Sisters and Brothers,

On January 13 the Supreme Court blocked enforcement of the large employer vaccination or test mandate. You are not required to provide proof of vaccination to employers; however, employers may continue to seek voluntary information from you regarding vaccination status. Providing vaccination status to employers voluntarily enables them to continue to provide Labor to clients/customers that do require vaccinations on their properties. Private businesses may still require vaccination and there are a number of them that currently do. If you have questions on this subject please contact us.

Saturday, January 15 marked the first day that our health plan is now required to cover the cost of OTC COVID tests. Listed below are some critical pieces to this mandate as it coordinates with our health benefit.

- Our plan will cover the cost of the OTC test at 100% at in network pharmacies. Out of network reimbursement will follow the federal limitation.
- There is a limit of 8 tests per participant or 32 per covered participant with dependents per month.
- If you purchase one of these tests, at Walgreens for example, you should purchase the test through the pharmacy using your insurance id card so that our negotiated rates through Sav-Rx are applied. If you do not do this it may cost our plan more and increase our premiums.
- All reimbursement requests must go through Sav-Rx. There is a form available at the Hall or on line.
- These tests are to be used solely for personal use. Any use outside of your own personal use will be considered to be an overpayment as defined by our plan.

This mandate has been implemented within a narrow timeframe to meet the federal deadline so additional modifications may be necessary. Watch for more information in the mail.

The online dependent verification form is now available at <https://ibew347benefits.com/>. If you are a 347 health plan participant with dependents you have to complete the annual dependent verification in order to provide continued coverage for them. Once logged into the site a dependent verification tab will appear to the left under "quick links". If there are any changes to your dependents or they have other coverage you will need to note these changes. This only takes a few minutes. If you would like assistance with this or would like us to forward hard copies for you, please stop by the Hall.

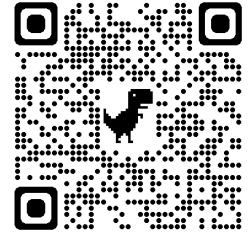

The Local Union 347 Scholarship application should be available by mid February. LU 347 awards three recipients annually with a \$1,000 scholarship. Applicants must be the children or grandchildren of LU 347 members or retirees and accepted into an accredited college, university or recognized trade school. The application will be available at the Union Hall, our website or we can get one to you via email.

Hello Brothers and Sisters,

## ~ Political Corner ~

When you receive this, the 2022 caucuses will only be a few days away. This year, the caucuses are being held on Monday February 7<sup>th</sup> at 7pm. Participating in your local caucus, whether Democratic or Republican, is a great way to get involved and have your voice heard. If you haven't caucused before, you should know that the caucuses are basically neighborhood meetings that kick off the political process. If you want to participate, you should check the location with either the Iowa Democratic Party or the Republican Party of Iowa, it may be different from your normal polling place.

On another note, the new legislative session began on January 10<sup>th</sup>. This is the second year with the same representatives, so it will probably be similar to last year's session. That means we'll get little in the way of meaningful legislation, along with a lot of pandering, especially as we get closer to the fall elections. With that in mind, why not take a couple of minutes to find look up your State Senator and House Representative:

<https://www.legis.iowa.gov/legislators/find>

I challenge you to contact your representatives this year if you haven't done so before, and let them know what you want. If they aren't listening, remember that half the Iowa Senate and the entire Iowa House of Representatives will be up for reelection this year.

In Solidarity, Wade Lester
